The allowance is on account of his higher technical (foreign) qualifications. The Chief Conservator is not satisfied with the usefulness of this Officer's work. The question of similar allowances for foreign qualifications in the Medical Department would appear to be pending in the C.B. for disposal by the Council.

One of the reasons for the grant of the P. A of Rs. 100 was — Mr. N was required to work in the ~~Agency~~ Agency tracts which are very unhealthy places

Vide final note of 9/7/28

9/7/28. The Chief Conservator wants to give the Officer another chance till June next to improve and that the allowance should continue. The question of allowance should perhaps be dealt with here independent of what the Chief Conservator states which has reference to the appointment or prospects of the Officer in the Department.

Item No.1 - Personal Allowance to Mr.D.N.Murthy Rao.- This case was considered in all its aspects by me and finally I came to the conclusion that there is not sufficient ground for the abolition or reduction of this allowance. The Officer is now reported to be doing good and intelligent work as a result of his special qualifications; hence, his allowance may be continued.

Item No.6 - A Forester is generally a poorly paid official. All the same, he is expected to do and he is doing hard work in very un-pleasant localities. In Bhadravathi especially, the nature of work allotted to them is extremely taxing. He generally lives with the labour in the heart of the Forest and is attending to charcoal and firewood wo The Travelling Allowance he gets hardly cove the extra expense involved in obtaining his supplies from the nearest market, which is generally at a considerable distance. Any reduction in their emoluments will result in in-efficiency, a risk which we cannot afford to take at present in connection with Iron Works Supplies. I therefore request that special locality allowance be given in addition to the local allowance. The cost involved is so small that a retrenchment in this respect will be of no considerable advantage to Government.

Necessary to grant above. 1

Item No.7 - Two out of the nine Rangers are in the Bhadravathi Division viz., at Hebbe and Muthodi and as such get a duty

allowance of Rs.10/- under item 5 and a local allowance of Rs.10/-. This special allowance was sanctioned in consideration of the extreme un-healthiness of the locality in which they have to work not to speak of the arduous nature of the duties. I therefore beg to suggest that in the case of these two Rangers, the special allowance may be continued irrespective of their total emoluments.

Item No.13 - The Elephant Officer has to generally go and stop with Elephants in the interior of Forests, where in many cases, even carts cannot go. To recompense him to meet the enhanced cost of travelling, a local allow-ance of Rs.10/- was given to him and these conditions continue to exist. I therefore suggest that this allowance may continue.

Item No.14 - Three Forest Rangers who are working in the Ghats work under peculiarly difficult circumstances and at the risk of their lives and in un-inhabited places; often-times, it is even difficult for them to get their daily food supplies. I therefore strongly recommend that the allowance of Rs.50/- each should be continued and not reduced to the extent of deputation allowance.

Submitted with a revised draft order To what extent the allowances under item 15 (revised draft) should be reduced is for orders

As regards the 2 Sub Inspectors it is submitted that the ~~allowance~~ allowance originally sanctioned was Rs 20/- only in each case but the allowance of Rs 20/- of the Sub Inspectors of the Western Frontier was subsequently raised to Rs 40/- in G.O. no. G 957-9 D/ 19.7.1928 (Flag L I) on the recommendation of the I.G. of Police who wanted ~~that~~ the allowance of the Sub-Inspector to be on a par with that of the rangers who drew an allowance of Rs 50/- each. The allowance of the Sub-~~In~~ Inspector of the Eastern frontier continues to be at Rs 20/- only.

In this connection it has to be submitted that an order is about to issue from the G M Branch revising the strength of this police staff. In that file it is seen that the I.G. of Police has proposed

to abolish the post of the Inspector of Police and to substitute 4 Sub Inspectors with an allowance of Rs 40/= each and 2 Sub Inspectors on with an allowance of Rs 20/= each in place of the 2 Sub Inspectors at present. These proposals have been accepted and orders are about to issue. If the allowance has to be reduced to any extent the issue of that order from the G M Branch may perhaps be withheld until the question is decided on this file.

As regards item no 7 in the draft the Chief Conservator States (Flag Z I) that 2 out of the 9 rangers get a duty allowance of Rs 10/= each (under item No 5 of the draft) and also a Modal allowance of Rs 10/= each and recommends that "the Special allowance may be continued irrespective of their total emoluments". IMMEDIATE.

Dear Sir,

With reference to your D.O. letter date 10th instant forwarding two lists showing details of (1) Personal Allowances at present given to Gazetted and Non-Gazetted officers and (2) Duty, Local and other allowances given to non-gazetted officers in this department and asking me to scrutinise the said lists in detail and send a reply as to which of the items included in the lists referred to, may be discontinued keeping in view the need for drastic retrenchments and to supply omissions if any in the lists, I write to state in reply that I have gone through the above lists with reference to records relating to the sanction of the several allowances and find that except in the marginally noted cases of

I. Posts abolished as per G.O. No. G.76-7/Ft. 301-30-5 dated 3-7-31:-

Executive and Protective:-
Minor Forest Surveyor: Rs.15/-
Office Establishment:-
Accountant - Rs.30/-
Ralgi Works:-
1 Ranger - Rs.30/-
2 Foresters Rs.20/- each

II. Incumbents who have ceased to do special work and whose allowances have therefore been stopped as the Sandal Oil Factory at Bangalore was shifted to Mysore:-

Bangalore Koti:- 1 Forester : Rs.7-8-0
3 Guards - Rs.7/- each

1 Ranger:- 35 on Sandal Smuggling Prevention duty, Kolar Frontier; The conveyance allowance has since been discontinued the Ranger being given T.A., under the ordinary Rules.

non-gazetted officers whose appointments have been either abolished or who have since ceased to do the special work sanctioned, the other allowances have got to be continued. Full reasons in support of this

view are embodied in the accompanying two statements.

Statement showing the personal allowances drawn by gazetted and non-gazetted officers in the Forest Department.

-- personal Allowance Rs 28/-

1. Mr. T.Krishnaswami Rao — Rs.25/-. The allowance given to this officer only represents part of his pay in the grade. This is done with a view to guard the seniority of Mr. M.V.Narasimhaiya who though senior to Mr. T.Krishnaswami Rao is drawing Rs.25/- less than the latter and with a view to avoid a junior officer drawing more pay than his senior. The allowance of Rs.25/- to Mr. Krishnaswami Rao has therefore to be continued till he reaches the maximum of his present grade, when it will cease as per Government orders.

2. Mr. D.V.Murthi Rao :- Rs.100/-. This allowance was granted as a remuneration for the higher technical training undergone by the officer in America instead of superseding several of his seniors by promoting him to the grade of Assistant Conservators. This practice is I believe obtained even in the Medical and other departments. The officer has not done well and has been warned to show improvement in his work. As a sort of punishment he has been now superseded. It would be double punishment if the allowance also is to be stopped. He may be given one more chance to improve and will be able to definitely say in June next as to the work turned out by him during the current year. The question will also be considered as to what orders have been passed on similar procedures obtainable in other departments.

Draftsman. :- Rs.15/- This is an additional emolument sanctioned to the present incumbent on grounds of stagnation for a long time. As he has applied for grant of leave preparatory to retirement, the question of continuing the allowance does not arise.

Ft.312-27-2 E

7 = Rs 90 + 15

:- Rs.6/- This is an allowance sanctioned to the present incumbent for doing tyring work and possessing the requisite qualification, and also on the ground of his being ineligible to draw increments in his grade Rs.25-2-45 due to not passing the obligatory departmental test. But for this disqualification attaching to him Rs.4/- out of the allowance of Rs.6/- should have by this time been absorbed the remaining Rs.2/- being absorbed by November 1931. The allowance does not thus virtually constitute as extra cost and it may therefore be continued.

STATEMENT II.

Duty, Local and other allowances of non-gazetted officers in the Forest Department.

--

Twenty Rangers in the Thadravati Division, including those on Iron Ore Duty.	Rs.10/- each (D.A.).	This is given in consideration of the arduous duties to be performed in remote and unhealthy forest tracts and the same is therefore treated as D.A counting for leave and Travelling Allowances under G.O. No. 5222-33/F 1 1-25-2 dated 29-1-1926. It has therefore to be continued.
12 Foresters do		
Rangers (not 6 as stated in the list)	Rs.10/- each (D.A.)	This is given to Range Officers in charge of selected Ranges in the heart of unhealthy inaccessible and thick forests far removed from populated places in view of hard and responsible duties devolving on them. It is not desirable in the interests of efficiency and fair play, that these allowances should be interfered with. Hence they may be continued.
4 Depot Rangers (not 4 as noted in the statement) and 3 Foresters.) Timber Inspector	Rs.15 each (D.A.) Rs.10(D.A.)	Timber depots are responsible charges., and the work devolving on the Rangers and Foresters is both onerous and heavy and in addition they have much of knocking about work to do which would involve some out-of-pocket expenses. As a compensation for all these, they are given the allowances which have got to be continued for obvious reasons.
11 Rangers (one of these posts is since abolished)	Rs.10 each (D.A.)	Sandal Koties are no less responsible charges than timber depots and for the same reasons applicable to the latter the allowances have to be continued to the Koti Rangers.
Rangers - Rs.20/- each Rangers (not 23 as noted in the list) Rs.25/- each Rangers (not 11 as noted in the list) - Rs.7-8-0 each		These are conveyance allowances (not F.T.A., as noted in the list and they have since been curtailed by 20% in the first two cases and to Rs.5/- in the last case as per recent Government orders. The reduced rates of allowances which are meant to cover the expenses of maintaining conveyances as prescribed have to be continued.
Forester - Rs.7-8-0 Cycle allowances.		The incumbent having since ceased to do the special duty work i.e., supply of sandal to Sandal Oil Factory at Tanbalore, the allowance has now been discontinued.

Junior Forest Surveyor - Rs.15/- (D.A). Omitted No orders are necessary H	The post having been abolished from 1st July 1931, as per Government Order No. G.76-7/Ft.301-30-5 dated 3-1-19.. the need for continuing the allowance has ceased to exist.
. Cane Supervisor - Rs.15/- (D.A). Ft. 149-27-2 B 26-2-15 T	This is given in recognition of the continued hard and meritorious work done by the incumbent and his having to be ready for shikar work almost at all times. In the circumstances it is very desirable that the allowance should be continued.
.. Special Iccality Allowances: Re0-1-0 in the rupee.	This is an allowance sanctioned to all the departments and since the conditions under which it was sanctioned have not changed the same has got to be continued.
Omitted No orders necessary M. Extra Allowance to three forest Guards in Bangalore - Rs.2/- each	Vide remarks against item No. 7 above.
Draughtsman Rs.- 15/- (F.A) Repetition M. T	Vide remarks against sl. No. 3 of statement No. 1.
13. A clerk Rs.6/- (F.A) Repetition M. T	Vide remarks against sl. No. 4 of statement No 1.
Accountant - Rs.20 (D.A) Omitted No orders necessary M. H	This post is abolished as per G.O. G.76-7/Ft.301-30-5 dated 3-7-1931 and therefore there is no need to continue the allowances.
Elephant Establishment:- Elephant Officer - Rs.10/- L.A). Ft-107-29-2 C	This is granted in view of the Elephant Officer having to attend upon elephants stationed in the heart of malnad and the same reasons detailed against item No. 3 above hold good here. It may, therefore, be continued.
Senior Jamadar) Rs.15/- Each Junior do) (F.T.A). Ft. 26-26-7 Y. The nature of the allowance has not been stated in the G.O. There is only Jamadar.	This is only F.T.A., (not D.A)., given in lieu of other travelling allowances and they have been curtailed by 20% as per recent Government Orders. The allowance at the reduced rate will have therefore to be continued.
Prevention of Sandal Smuggling:-	These may be continued in view of the incumbents having to do hard work in remote parts of the forests at great persoal risk and inconvenience.
1. Inspector of Folice - Rs.50/- (D.A)	
1 Sub do Rs.40/- (A))	
2 do Rs.20/- (A))	
15 Constables 2/- (A))

3 Forest Rangers 50/- (A))	
1 do 35/- (F.T.A)	This allowance has been since abolished as per G.O. No. G.2201-2/Ft 2-25-10 dated 20-8-29, the Ranger being eligible for T.A., under the ordinary Rules.
Omitted 1 M. Ft. 11-28-29 T

SIR,

With reference to your letter No.Fl.5666 dated 8th instant observing that one of the reasons for grant of a personal allowance of Rs.100/- to Mr.D.Narasimhamoorty Rao, Sub Assistant Conservator of Forests was that he was required to work in the unhealthy ghat forests and enquiring whether this condition is fulfilled now, I have the honour to state that grant of the allowance to the officer was recommended by me and sanctioned by Government solely on the ground of his having earned additional qualifications and undergone satisfactory training (vide para 2 of my letter No.D.3997-26 dated 21-6-1928 and para 2 of G.O. No.G.1417-8/Ft.182-27-20 dated 1st/6th August 1928).

The officer was on his return from foreign training, detailed for duty connected with the exploitation of the Ghat Forests; but the schemes submitted by him, could not be considered and pushed through for want of adequate funds, which position should not in the circumstances detailed above, affect the question of continuing the allowance to the officer till the same is absorbed as he obtains increments in the grade of Assistant Conservator on his promotion thereto as directed by Government in the G.O. cited above.

I have the honour to be,

4. Letter No. E. 624-1809-30 dated the 17th March 1932 from the Chief Conservator of Forests in Mysore stating that he agrees to the above proposals.

Order No. G. 8816-18/Ft. 30/-80-28

Dated, Bangalore, 9th May 1932.

The main features of the revision proposed are the abolition of the posts of Assistant Superintendent and Inspector of Police under whom the Special Police are working at present and the placing of the Special Establishment under the control and supervision of the local Police as a Branch of the ordinary Police staff. It is also proposed to revise the allocation of out-posts with a slight reduction in the number of Duffedars and Constables, and to increase the number of Sub Inspectors from two to six, so as to give a Special Sub Inspector to each of the Taluks of Nagar, Thir-

Thirthahalli, Koppa, Mudigere, Bangalore and Kolar. These proposals of the Inspector General of Police agreed to by the Chief Conservator of Forests, are estimated to result in a net saving of Rs. 3288/- under establishment and Rs. 1972/- under other recurring charges, per annum, as per proposition statement A attached.

Government are pleased to sanction these proposals. The sanctioned strength of Duffedars and Constables, will be posted for duty in the several out-posts as shown in Statement B, attached.
